

IK™ 8 Litre

Industrial Hand-held Sprayer

SKU: PGK0008L

The IK compression sprayers get more spraying done with less effort. Being the Worlds Most Advanced Handheld Sprayers, the IK sprayers are fast becoming the No.1 choice for landscapers, councils and property owners. Backed with a 5-year factory guarantee, the IK range is complimented with a full range of accessories. Perfect for herbicides, disinfectants, pesticides, and more.

The IK MULTI 9 sprayer offers a professional spraying solution to achieve optimum results in a wide range of sectors such as construction, cleaning and disinfection, virus, pest and epidemic control, automotive, industry and air conditioning (HVAC).

IK MULTI 9 is designed for maximum strength and versatility with the most aggressive chemicals.

This sprayer is particularly resistant to acids.

These special sprayers are amongst the toughest on the market, and can be used safely in a wide variety of situations and conditions.

**Suitable for disinfecting and sanitation spraying applications

- » Made of special, high resistance materials for use with various chemicals
- » Viton seals for excellent chemical resistance and durability
- » See liquid level at a glance with tank graduations
- » Pressure safety valve ensures sprayer is protected from over pressurisation
