

SuperReel™ 600L M-Series

Mechanical-Driven Twin Reel Field Sprayer

The SuperReel M-Series – the most powerful, easy-to-use, and easy-to-service mechanical-driven sprayer on the market. Engineered for durability and efficiency, this game-changing sprayer features a Honda engine-powered reel retraction system, delivering unmatched strength and reliability. Designed with spray contractors and councils in mind, the SuperReel M-Series makes maintenance a breeze, ensuring you spend less time servicing and more time getting the job done.

- » Twin chain-driven auto-rewind reels with choice of 100, 150, 200 or 250 metres of anti-kink nylon hose
- » Hose-guide system allows the operator to rewind from any direction
- » Heavy Duty Turbo400 spray guns with adjustable spray pattern and swivel connector
- » Fully drainable UV stabilised poly tank with 25-year warranty and 450mm hinged lid
- » Site level tube with tank calibrations for quick and accurate tank level monitoring
- » Genuine Honda GX270 powers both pump and reels for proven reliability
- » 54L/Min 580psi Bertolini Italian pump with pressure regulator and gauge for pressure control
- » HawkLine™ remote control provides exceptional range and performance – up to 2km range
- » Ergonomic design allows for easy access to regulator, pump, engine, filters etc.
- » Heavy duty galvanized steel frame with tie-down points and pre-drilled bolt holes for easy mounting
- » Flush-out system includes a tank isolation valve and Gardena hose connection for fresh water
- » Suction filter with auto shut-off valve allows for easy cleaning without losing tank contents
- » Tecometer, flashing beacon
