

Versatile 1.2m Boom w/ 4m swath width (with Hayman Reece Attachment)

SKU: ABVL040-GN

Perfect for spraying firebreaks, rough country and locust control, the 4m versatile boom is made out of tough, lightweight galvanised steel. The versatile boom is compact, measuring only 1.2m long, yet powerful with a 4m spray. The quality nozzles and taps allow for 7-way nozzle control. The fully galvanised Hayman Reece goose neck attachment allows the boom to be mounted to any vehicle fitted with a tow bar. This allows fitment to a range of vehicles.

- » 1.2m compact boom
