THE TTI EXPERIENCE

Craftsmanship, care and innovation at every step

AUSTRALIAN DESIGNED & MADE

Proudly built in Australia with 25+ years of experience

SAFETY & INNOVATION

Patented LiquidLocker™ baffle system for safety and performance

25-YEAR TANK WARRANTY

Tough, reliable tanks, guaranteed for 25 years

250+ ACTIVE STOCKISTS

Nationwide network delivering local service and support

WHO WE ARE

WE ARE HERE TO SERVE HANDS-ON, DOWN TO EARTH PEOPLE

Built in Australia, by Australians, for the tough Australian landscape

TO HELP DEVELOP & PROTECT THE LAND

Helping you keep the weeds under control, your earthmoving equipment refueled, & fighting fire

OUR CRISP VALUES UNDERPIN EVERYTHING WE DO

CRISP - Care, Respect, Initiative, Sincerity & Passion.
Our culture & capability defines what we do

WE PRIDE OURSELVES ON BEING:

ENVIRONMENTALLY AWARE

- ✓ We generate enough solar power to run our entire factory
- ✓ We commit to recycle wherever possible & continually economise our processes

COMMITTED TO THE HEALTH & SAFETY OF OUR PEOPLE

- ✓ We are passionate about OH&S and constantly strive for excellence
- ✓ We provide training & development for the personal enrichment of our staff

WHAT MAKES TTI'S TANKS UNIQUE?

Over 25 years specialising in the manufacture of quality water cartage tanks

TTi has over 25 years specialising in the manufacture of quality water cartage tanks. We do not dilute our focus by producing storage tanks and other roto-moulded products.

Did you know the DNA of every TTI tank is recorded? This combined with rigorous quality checks including ultrasound thickness testing and laboratory impact testing ensures that our clients are getting the very best available tanks on the Australian market, giving you peace of mind. Our unmatched tooling engineering is reflected in every moulded TTI Tank.

WATER CARTAGE TANKS

Tank Sizes:
20 to 17,000 Litres

GET ANY TANK IN YOUR CORPORATE COLOUR

KEY FEATURES

Extra thick tank wall structure with a load capacity of up to an enormous 1.3 Specific Gravity on all AquaTrans™

Exclusive, specially developed and formulated polyethylene powder incorporating the latest technology

Easy-to-read calibration on side wall of tank for quick measurement of contents (when sight level tube is fitted)

Specifically designed footings to enable easy mounting to any tray surface - mounting pins included.

Factory-fitted outlet with every tank

UV stabilised to withstand the elements; All tanks are cooked to temperature, not time

SUITABLE FOR:

SumpTrans™

Fully-Drainable Chemical Tanks

TTi's SumpTrans™ Tank use specially blended polyethylene to handle the broadest range of liquids possible from plain water to the harshest chemicals – ask for a copy of our compatibility chart!

TTi's SumpTrans™ tanks have excellent impact resistant qualities and impervious to some of the most aggressive chemicals. SumpTrans™ incorporate the latest technology to easily handle any work environment.

Fully-Drainable Chemical Tanks

KEY FEATURES

Manufactured from chemical resistant, UV stabilised polyethylene

Large tank opening for fast, easy filling. Sealed with 455mm lid with labyrinth breather (600L+)

Easy fill, no spill containment lip on all spray tanks above 500L

Easy to read calibrations for measurement of contents (when sight level tube fitted on tank)

Fully draining sump with smooth interior and enables complete drainage and decontamination of tank

Available with robust hot-dip galvanised steel mounting frame for correct tank support and ease of mounting

Basket filter supplied with tanks 200 Litres and larger

SureFit™ safe and secure mounting pin system

Meet TTI's All-New

Mechanical-Drive SuperReel™ M-Series Weed Sprayer

M-Series™

MECHANICAL-DRIVE SPRAY UNIT

YOU ASKED, WE LISTENED...

The most powerful, easy-to-use, and easy-to-service
mechanical-drive twin reel sprayer on the market.

Meet the new benchmark in weed-spraying... TTI's M-Series.

M-Series™

MECHANICAL-DRIVE SPRAY UNIT

KEY FEATURES

Ergonomic & Easy to Service

Designed for operator comfort, safety and easy maintenance. Everything right where you can access it.

Honda Engine & Bertolini Pump

Honda GX270 engine coupled to a high-performance Bertolini 580psi pump for ultimate performance & reliability.

Mechanical-Driven Twin Auto-Rewind Reels

Virtually unstoppable rewind power, with up to 250m of anti-kink nylon hose & Turbo400 adjustable spray guns.

HawkLine™ Remote Control System

TTI's Next-Gen, IP67-rated long-range remote control for engine start/stop, reel rewind & valve activation.

Integrated Flush System

Isolates the chemical in the tank & allows fresh water to be drawn & flushed through your pump and lines.

Heavy-Duty Galvanized Steel Frame

Fabricated for long-term toughness, forkable from any side & includes pre-drilled bolt holes for mounting.

Fully Drainable, Chemical Resistant Poly Tank

The fully draining sump tank ensures it's easy to flush out and guarantees maximum use of the contents.

Hydraulic-Crimped Plumbing

Heavy-Duty hydraulic crimping eliminates the chances of leaks occurring in hoses & fittings.

Spray Accessories

Honda applied it's superior engine technology to create the world's first 360° inclinable 4-Stroke engines. The ultra-lightweight GX35 Mini 4-Stroke efficiently delivers the kind of efficient cleaner, powerful, quiet performance that you'd expect from a larger engine – but in a very compact package.

HONDA
- THE MOST RELIABLE ENGINE -

Need it coupled to a
Honda GX200?
just add

DIESEL
REFUELING
EQUIPMENT

DieselSergeant™

Low-Profile Diesel Refueling Units

The Reason to Say GoodBye to Jerry Cans!

The low-profile, compact DieselSergeant™ is a simple yet effective diesel refueling tank. The pump is mounted on a sturdy 'squat' tank, with a large lid for easy access to the tank.

Pin-mounting provisions make it easy to secure to tank for safe transportation.

KEY FEATURES

-  Reliable 40L/min Transfer40™ Pump with integrated Bypass
-  Auto Shut-off Nozzle Prevents Overfilling and Fuel Wastage
-  4 Metres of Delivery Hose
-  Lockable Filler Cap for Security

Fits Where Others Don't!
Low Profile, Space Saver Design

ARE YOU READY FOR FIRE SEASON?

In the heat of the moment, you can always rely on
TTi's Fire Fighting Equipment!

“

I can say that their 1000L slip on units are fantastic, and that the two we bought this year were instrumental in saving our farms and a neighbour's house in the Yeppoon / Cobraball bushfires. When I ordered our second unit I considered it as cheap insurance!

“ Highly recommend one of these TTi AquaPath™ units to anyone in the civil industry.”

Peter Atkinson

Bulldog Earthmoving
Civil Contractor

“ Very easy to take off the truck for something else if we're not using the tank. We've got six AquaPath™ units across the company. They're very versatile, easy to fill-up and make it a lot easier on site.

Michael Hanly

ACE Contractors Group Civil and Landscaping

“ Highly recommend TTi, I couldnt recommend them any more, they always have the after sales service, and will hand deliver the unit! You cant ask for any better service!

Neil and Gareth

Regal Innovations Civil and Landscaping

WATER TRUCK CHASSIS-MOUNT MODULES

AquaModule™

TTi offers remote supply modules, which is the perfect solution if you have the desire to do your own 'fit-off' of a complete water cart module.

Design, fabrication and testing of steel componentry is all completed in house, before being hot-dip galvanised ready for final assembly.

The module is then fully assembled and tested one of our state-of-the-art facilities, ready for sign off and mounting to the truck of your choice.

OUR PEOPLE

OUR STAFF - OUR KEY!

At TTI we believe that anyone can copy the products we manufacture, the marketing we produce, the facilities we have, but nobody can copy the people that make the company what it is.

Our people and their families mean everything to us and always will.
