Did You Know?

All DieselCaptain™ tanks are moulded with our unique aluminium lid mounting ring for incredible strength! This unique multi-seal system keeps the moisture out and your diesel in!

All TransDiesel tanks comply with AS1940-2004 and AS2809.2-2008

All TransDiesel tanks are manufactured from specifically formulated diesel grade polyethylene that meets International Regulation ECE R34.01 requirements

Testimonials

"Has all the good quality nozzles with a good length hose, good quality pump which has never let us down – pumping out 85L/min ..... very durable and reliable units."

Dean, Ho's Hire

"We run a few of these diesel pods... we come across this TTi brand and that's all we buy now.

Compared to the competitors, these are a lot better unit – high flow rates and we don't have any issues with these tanks at all"

Ricky, Connor Earthmoving
